5. **Committee Updates**
   a. ITS committee: Tom Jensen has been actively recruiting a chair and co-chair. He hopes to have meetings scheduled soon.

   c. Geometrics: Next meeting is May 21st. The topic is code/performance based design.
   d. Pedestrian and Traffic Safety committee will meet next week. Simon Blenski will discuss Minneapolis’ bike counting system.
6. **Section Meetings**
   a. April: The meeting went very well. The food was good, and they boxed up the leftovers at the end. The room was good for a meeting of this size (40-50 attendees). They had free parking. The group felt that we should add it to the rotation for smaller meetings.
   b. May 21: Everything is ready to go at WSB. A dry run will be done next week.
   c. Joint WTS/NCITE/ITS MN fundraiser is set for June 8 at Tin Wiskers.
   d. Summer social is set to be at Brits Pub July 8. Katie has a signed contract and will work out the details.
   e. Annual Meeting: Leading candidate is Blaine curling club.

7. **Website Update Discussion**
   Mike M and Mike A still need to follow up with the other sections.

   After the meeting Derek provided information that color photos that can be easily be scanned through his scanner will be provided in 300 DPI format for $0.50-0.75/photo, depending on how many photos we have.

   For photos that require individual scans (i.e., Polaroids, photos that have been mounted, etc.), the guy scans them into Photoshop and restores them. These are $2-$3/photo.

   Then he also has a $5 Media Card Transfer Fee to put then on a provided USB.

8. **Historical Data Archival**
   We are archiving newsletters, meeting minutes and position papers for the most part. Google drive seems to be a good option for storage. $2.99/month of 100 MB.
